Hello AS Board of Directors,

I am requesting funding for a not to exceed amount of \$300 for the purchase of four picture frames to be hung in the hall leading to the board office and 5<sup>th</sup> floor lobby area.

These picture frames would display four generations of AS employees and signatures showing the student body the group of students who work for them. Continuing this tradition will keep the team spirit of the AS alive. Throughout the year I cannot tell you the number of people who have stopped in the hall to look at the photo we currently have up.

Hanging a group photo also gives the AS the chance to share our values with the student body.

The cost of the frames would be roughly \$52 each. We would be purchasing four frames and have already determined they will fit nicely on the wall. Shipping would be roughly \$35. I am requesting a NTE amount of \$300 to ensure there is enough funding to get the project complete.

Samples of the frame are enclosed.

Thank you for your consideration,

Brian Conner  
AS Personnel Director
