

**ASSOCIATED STUDENTS
GREEN ENERGY FEE LOGISTICS GRADUATE ASSISTANT (4 QUARTER)**

Green Energy Fee Graduate Assistant Statement of Purpose:

The Green Energy Fee (GEF) Logistics Graduate Assistant works to support students in the creation, development, and review of project proposals to be submitted to the GEF Committee. In addition, the position works to enhance the GEF program as a whole with the aim to reduce the campus' environmental impact, promote sustainable practices, and encourage environmental stewardship.

Term of Position:

This is a four quarter position. Position begins the Monday of the first week of summer quarter and ends the Friday of finals week the following spring quarter. Position holder is required to attend AS orientation prior to the start of classes fall quarter in addition to the regular 15 hours required during the same week. Payment for orientation is included in the monthly salary. In the spring quarter before the position term an internship of 15 hours must be completed with the outgoing position holder. This internship is unpaid, and is not required if the outgoing and incoming position holder are the same individual.

Salary:

Position earns XX salary index as established by the AS Board of Directors for the current fiscal year paid out of the Green Energy Fee funds. This position requires on average 19 hours per week. Position holder may work more some weeks and less other weeks depending on program needs. Position holder is paid through winter, spring, and some portion of summer breaks, but is not required to maintain office hours during that time. During summer quarter, the position requires that the equivalent of 10 weeks of work at 19 hours per week be worked. This means that from the beginning of the term of this position until the start of fall quarter the position holder must work a total of 190 hours.

Reportage:

The Green Energy Fee Logistics Graduate Assistant reports directly to the WWU Sustainability Coordinator and works with Office of Sustainability staff. ~~The position holder must also make regular reports to the Associated Students Vice President for Student Life. The position also makes regular reports to the Green Energy Fee Committee.~~

Required Qualifications:

1. Must maintain a minimum of ~~10 credits for undergraduates and 8 for graduates~~ credits during employment.
