Shall all Western Washington University students taking six or more credits on the Bellingham Campus be assessed an Alternative Transportation Fee of up to \$25 per quarter with the following conditions: A Whatcom Transportation Authority bus pass for every fee paying student and a late night student shuttle service that would run after WTA service ends. At a minimum this service would run in both directions connecting the main campus, downtown, and the Lincoln Creek Park and Ride. If late night service is not offered during summer quarter, students taking summer quarter classes will be charged a reduced fee. Fee increases will be limited to a maximum of 5% per year unless approved by the students through a vote. The fee will be for a maximum 5 year term subject to a student vote for renewal.
