Statistics:

Total Voter Turnout 2013: 2210 (16.85%) of eligible voters. This is down 7.15 percentage points from the AS 2012 Elections, which had 24.50% voter turnout.

Building Damages:

- Some paint was removed by tape removal on the Humanities building. This was an approved posting location using approved materials (duct tape) and so not the fault of the various candidates.
- Extensive tape, tape residue, and glue remained on the Bookstore. The candidates responsible for this could not be identified.
- **A special thanks to Glen Tokola** who has spent extensive time and effort these last two weeks cleaning the buildings of all poster remnants he can find.
- Work orders have been placed for damage repair and deposits have been withheld appropriately to pay for these work orders.

Election Board: The AS Elections Board heard two grievances this elections season. Both grievances were dismissed.

As there are no outstanding grievances or damage investigation, I request that the AS Board of Directors certify the aforementioned results for the 2013 AS Elections.
