

“Program Standards Update”

Proposed Motions: Approve the amended Program Standards.

Sponsor: Hung Le, Vice President for Business & Operations

Persons of Contact: VP Business & Operations, Lisa Rosenberg, ROP Director

Date: August 2013

Background & Context

The ASWWU Program office Standards exist to ensure effective stewardship of the AS mission and emulate the values, best practices, and responsibilities of student employees within AS Program offices. This can be found at: <http://vu.wvu.edu/policies/AS-ProgramStandards.pdf>

Management Council is tasked with annually reviewing the program standards by which programming offices base their offices on. This is to ensure that the AS is meeting those standards or to reevaluate them if they do not reflect what offices are doing. During the spring of 2013, Management council unanimously voted to update several ROP Mission Statements. At the time, the Assessment Office was voted by the Board to be continued as single position under the AS Board (AS Assessment Coordinator), effectively removing the office. However, it is still relevant to list the Assessment Process.
