AS Local Liaison Hourly Job Description

Background & Context:

The AS Local Liaison work study position was passed July 12, 2012 by motion ASB-12-SUM-3 “Approve the Local Liaison Work Study Job Description.” This position was not filled last year, and as a result, student representation at the local level suffered. By changing this position to hourly, more students are eligible to apply, which can help the AS in filling the position. The goal is to have someone hired by fall quarter. The Personnel Committee reviewed the position JD on July 17, 2013. The attached hourly JD reflects the Personnel Committee recommendations.

Summary of Proposal:

The Local Liaison position plays a vital role in the AS by serving as a liaison between the Associated Students and local governmental institutions including the City of Bellingham, Whatcom County Government, Campus Community Coalition, the Mayor’s Neighborhood Advisory Commission, and other bodies of importance to students on the local level. Local representation is imperative because many local issues directly affect students such as transportation, rental safety, and the coal terminal. In addition, the elections this year are heavily focused on County and City Council races. The only potential issue is that 10 hours a week may not be enough hours for the anticipated volume of work this position may have.

There are three parts to this proposal:

- 1) Approve a two year pilot program for an hourly AS Local Liaison position with the expectation that there will be an assessment process at the end of the pilot
- 2) Approve the new job description for the hourly position
- 3) Approve funding for this position

Fiscally: Funding for this position will come from the AS Reserve Fund as a grant. The position will be funded in its entirety as a two year pilot program.

$\$9.19 \text{ per hour} \times 10 \text{ hours a week} \times 36 \text{ weeks} \times 3\% \text{ benefits} = \$3,500$

Total NTE for two years = \$7,000

Rationale:

The AS Local Liaison will help to ensure proper student representation at the local level. Changing it to hourly will increase accessibility for students applying, which can help in filling the position.
