## **Section 2: Student Initiative Procedure**

### I. Filing

- a. Any student eligible to vote in the AS elections may request that a question (hereto referred to as an initiative) to the student body be added to the ballot (see Section 3, clause VII for eligibility requirements). A single student may sponsor no more than one (1) initiative in any one election due to the demands on the sponsor. The sequential process for requesting approval of initiative language requires the sponsor(s) to:
  - (1) create a question to be presented to the student body that can be answered in the affirmative or the negative.
  - (2) secure an AS Board Member as a sponsor to evaluate the legality and feasibility of the initiative and bring the question as an Agenda Item before the Board.
  - (3) declare under what Authority (see section 2, clause IV) the initiative is being proposed.

- (4) submit the language of the proposed measure, authority, and any supporting documentation to the AS Board of Directors Program Assistant and the sponsoring Board Member by the document submission deadline [2:00 p.m. on Monday 02/23~~5~~4/2015~~4~~]. Students are advised to submit the language of the measure for review as early as is feasible.
- (5) (sponsor or delegate) attends the Board Meetings where the question is discussed. The Board must approve, approve with amendments, or reject the language at its next three meetings. The Board of Directors may only reject the proposed measure if its language is deemed misleading, or if there is reasonable concern about the legality of the proposed measure under local, state, or federal law, Western Washington University policy, or relevant AS policies. The Board of Directors may only amend the language of the measure in a way that does not affect its substantive content. If language is amended, the sponsor(s) of the measure is to be notified as soon as possible. If the Board does not take action within three regularly scheduled meetings following the submission deadline [2/23~~5~~4/2015~~4~~], the submitted language will be considered to have Board approval.
- b. Once the language is passed through the above process, initiative sponsor(s) must *obtain student signatures on an official petition form for the measure totaling a minimum of five percent (5%) of the number of students enrolled at the main campus of WWU in the winter quarter* [687], as determined by the WWU Registrar. Petition requirements include:
- (1) using the official petition form provided by the AS Board Program Assistant within two school days of the passing of the language. This petition form shall include: the name(s) of the sponsor(s) of the initiative, the academic year the forms were distributed, and the exact wording of the proposed initiative.
  - (2) students signing the petition must be currently enrolled, main-campus WWU students. Signers' WWU student number and printed name must be included alongside their signatures. Illegible, duplicate or incomplete signatures will not be counted. If the language of the proposed measure is amended in any way during or after the signature gathering process has begun, then the signatures which were collected in favor of the original language will not be counted.
  - (3) signatures obtained in favor of the placement of a measure on the ballot must be obtained during the winter or spring quarters of the academic year in which the measure is sought to be placed on the ballot only once the language has been approved by the AS Board of Directors.
  - (4) filing the petition and all required forms in the Initiative Packet with the AS Board of Directors Program Assistant by 4:00 p.m. on the last day of the candidate filing period [4/7~~9~~8/2015~~4~~].
- c. Sponsor(s) must *submit a mandatory, refundable deposit of twenty-five dollars (\$25) to the Viking Union Finance Office by 4:00 p.m. on the last day of the filing period* [4/7~~9~~8/2015~~4~~].
- d. Sponsor(s) must *attend the Mandatory Election Meeting* (see Section 1, clause I (d)).
- e. Measures which have met these criteria and have been *duly filed* with the AS Board of Directors Program Assistant by the filing deadline [4:00 p.m. on 4/7~~9~~8/2015~~4~~] shall be placed on the spring AS elections ballot as a student initiative. The language of the initiative on the ballot must match exactly that of the duly filed measure. The Elections Coordinator may, at their discretion, write a summary or explanation of the initiative to appear on the ballot.
- f. One statement supporting and one statement opposing the initiative may appear on the ballot alongside the initiative. Such statements must be submitted to the Elections Coordinator by one week after the filing deadline [4/14~~6~~5/2015~~4~~] and are not to exceed 150 words. The Elections Coordinator may edit these statements for length and clarity. If multiple statements, supporting or

opposing, are submitted to the Elections Coordinator by the filing deadline, the Elections Coordinator may, at their discretion, choose the most appropriate statement or combine multiple statements into one statement. Priority in the selection process among multiple statements shall be given to a statement by the organization filing the initiative. The name of the organization(s) and/or person(s) making the statement shall appear on the ballot alongside the statement. In the event that no statement opposing the initiative is filed, the Elections Coordinator may delegate the responsibility of drafting an opposing statement to a group or individual of their choosing. The Elections Coordinator is permitted to make non-substantive changes to the supporting and opposing statements submitted for inclusion on the ballot. It is not necessary for there to be for and against statements for each initiative. The Election Coordinator may use their discretion to determine when such statements are necessary.

## II. Campaigning

- a. The student(s) filing the initiative petition or an organization created and managed by them shall be considered the official campaign on behalf of the initiative and may campaign for its passage. Said student(s) and/or organization(s) may spend money, hold campaign meetings, recruit volunteers and post, display or distribute physical campaign materials subject to the same limitations placed on candidates for office and outlined in this Code. Initiative campaigns shall be required to file financial disclosure statements as outlined in Section 3, V of this Code. Initiative campaigns shall be eligible for public financing, but only if the allocation of public financing as outlined in Section 3, V (de) of this Code to the initiative campaign does not reduce the amount of public financing available to candidates.
- b. The campaign period shall last from 9:00 a.m. on the second day following the Mandatory Election Meeting [4/1~~32~~/201~~54~~] to 2:00 p.m. on the last day of the elections [5/1~~32~~/201~~54~~]. No physical campaign materials shall be posted, distributed or displayed outside of this period. See Section 3, clause III of this Code for further details.

The Elections Coordinator may change the dates and times of the elections with the approval of the AS Board of Directors.

## **Section 5: Instant Runoff Voting (IRV)**

### I. Definitions

- a. A candidate shall be deemed "continuing" if the candidate has not been eliminated.
- b. Each position voted for shall constitute a "ballot."
- c. A ballot shall be deemed "continuing" if it is not exhausted.
- d. A ballot shall be deemed "exhausted" if all of the choices have been eliminated or there are no more choices indicated on the ballot.

### II. Procedure

- a. The first choice marked on each ballot shall be counted initially. If a candidate receives a majority of the first choices, that candidate shall be declared elected. If no candidate receives a majority of first choices, an instant runoff consisting of additional rounds of ballot counting shall be conducted. Voters may rank as many or as few candidates as they desire on each ballot.
- b. In every round of counting, each ballot is counted as one vote for that ballot's highest ranked continuing candidate. A candidate receiving a majority of valid votes in a round is declared elected.
- c. If no candidate receives a majority of valid votes in a round, the candidate with the fewest votes shall be eliminated, and all ballots shall be recounted.
- d. If the total number of votes of the two or more candidates credited with the lowest number of votes is less than the number of votes credited to the candidate with the next highest number of votes, those candidates with the lowest number of votes shall be eliminated simultaneously and their votes transferred to the next-ranked continuing candidate on each ballot in a single counting operation. Such a situation can only arise with four or more candidates on a ballot.
- e. This process of eliminating the candidates with the fewest votes and recounting all ballots shall continue until one candidate receives a majority of the valid votes in a round.
- f. If a ballot has no more available choices ranked on it, that ballot shall be declared "exhausted" and not counted in that round or any subsequent round.
- g. Ballots skipping one ranking shall be counted for that voter's next clearly indicated choice, but ballots skipping more than one ranking will be declared exhausted when this skipping of rankings is reached.
- h. Ballots with two or more of the same ranking shall be declared exhausted when such duplicate rankings are reached unless only one of the candidates with the duplicate ranking is an advancing candidate.

i. If in any round of counting there is a tie that would affect the outcome of the elections, the tie shall be resolved in public by lot.
