About the Position
Farmhands are responsible for the care and maintenance of the gardens and facilities of the AS Outback Farm as directed by the coordinators. In addition, Farmhands will be expected to engage with the extracurricular workshops and programing that the farm produces for students and the greater Bellingham community. This includes active participation as well as the facilitation of at least one self-authored workshop for students per academic year. Farmhands are required to attend staff meetings and developmental trainings as directed. Farmhands are responsible for equipping themselves with task as well as weather appropriate attire. Additionally, Farmhands must at all times follow work safety protocol as directed.

About the Department
The purpose of the AS Environmental & Sustainability Programs (ESP) is to inform, educate, and provide resources regarding a variety of issues surrounding environmentalism and sustainable practices. The Outback, a joint program of the Associated Students and Fairhaven College, is a 5 acre farm and wetland restoration site. The purpose of the Outback OELP is to coordinate a wide range of opportunities for students to learn about, develop and implement sustainable land use practices. These opportunities include personal and collaborative events and projects involving habitat restoration, organic gardening, green building, academic partnerships, independent study projects (ISPs), workshops, lectures and classes. The OELP also provides job-related skill building and community networking opportunities for students. These include serving on the Outback Governing Council, volunteering, and participating in work-study, and salaried employment.
