

Associated Students of Western Washington University
AS Environmental and Sustainability Programs
AS Outback Outdoor Experiential Learning Program (OELP)
Assistant Coordinator

About the Position

The Outback OELP Assistant Coordinator is responsible for the overall operation of the Community Gardens, campus-wide outreach, and organizing educational workshops and classes. They will work closely with the Outback OELP Coordinator. The Outback, a joint program of the Associated Students and Fairhaven College, is a 5 acre farm and wetland restoration site. The purpose of the Outback OELP is to coordinate a wide range of opportunities for students to learn about, develop and implement sustainable land use practices. These opportunities include personal and collaborative events and projects involving habitat restoration, organic gardening, green building, academic partnerships, independent study projects (ISPs), workshops, lectures and classes. The OELP also provides job-related skill building and community networking opportunities for students. These include serving on the Outback Governing Council, volunteering, and participating in work-study, and salaried employment.

Position Classification

.Assistant Coordinators provide programming support to the Associated Students (AS) as a whole and facilitate events, offices and groups throughout the Western and Bellingham community. Assistant Coordinators report to department coordinators. Specific duties include but are not limited to: assisting with event programming, coordinating specific office functions, performing administrative work and maintain and update programming resources for the department. Specific training or experience is not normally required.

About the Department

The AS Environmental & Sustainability Programs (ESP) offers the education and resources necessary to promote environmentalism and provides opportunities to become actively involved in sustainable practices through events, volunteering, and student activism.

The Outback, a joint program of the Associated Students and Fairhaven College, is a 5 acre farm and wetland restoration site.
