A. AS VP for Academic Affairs Job Description

Erick Yanzon stated that in the position responsibilities, he removed “participate in the development and implementation of Viking Launch each quarter” because he doesn’t do that. He also doesn’t work with the Committee Coordinator with planning Committee Orientation but he thought that would be good to be reinforced. He also updated his committees.

Second: Cervantes Vote: 6-0-0 Action: Passed

B. AS VP for Business and Operations Job Description

Mary Moeller stated that there was a duplicated section of the Employment Responsibilities so it was deleted. She changed that they work with the Dean of Students Program Assistant and not Sabrina Houck’s position for policies. She added a point in the position responsibilities that states the position would be “reviewing Board proposals with fiscal notes before they come to the Board of Directors”. She added Structural Review Committee and removed AS/VU Tech Committee. She also added “for AS representatives” after Services &

Activities Fee Committee. Even though Moeller sends a designee to UPRC, they decided to leave it in the position description.

MOTION ASB-17-W- 47 By Moeller To approve the job description for the AS VP for Business and Operations.

Second: Yanzon Vote: 6-0-0 Action: Passed

C. AS President Job Description

Bryce Hammer explained that Stephanie Cheng and Hammer want to change who sits on WASA, so the AS President would serve as a voting member “in the absence of the VP for Governmental Affairs”. Cheng thought that “serving as a member of the WASA Board of Directors” would go better under Hammer’s job description but the President would attend WASA meetings and “participate in the state lobbying effort”.

MOTION ASB-17-W- 48 By Lavallee To approve the job description for the AS President with changes.

Second: Hammer Vote: 5-0-1 Action: Passed

D. AS VP for Governmental Affairs Job Description

Hammer stated that the main change is that they would have voting rights on WASA’s Board and control of Federal Lobby Day Fund. She also added Structure Review to the committees that the position chairs. Throughout the job description it refers to the “REP Associate Director” but it is just the director now. “Viking Lobby Day” was changed to “Student Lobby Day”.

MOTION ASB-17-W- 49 By Hammer To approve the AS VP for Governmental Affairs job description adding in “control of the Federal Lobby Day trip” and “assistance for supplemental lobby days” into job responsibilities.

Second: Yanzon Vote: 6-0-0 Action: Passed

E. AS VP for Activities Job Description

Lavallee stated that the only change in his job description is the removal of the phrase “Green Games” and adding “campus recreation” to the responsibility of meeting with the Director of Athletics.

MOTION ASB-17-W- 50 By Lavallee To approve the AS VP for Activities job description.

Second: Hammer Vote: 6-0-0 Action: Passed

VIII. INFORMATION ITEMS – BOARD*

IX. CONSENT ITEMS

X. BOARD REPORTS

Aleyda Cervantes, VP for Diversity stated that she met with the university work group to discuss sexual violence prevention and response. They sent out a survey to WWU and only 7% of people responded so they were wondering what would be the best way to reach more students. Cervantes said that she was having trouble providing feedback because the questions on the survey are very personal. She added that they are having an open house for the Multicultural Center on March 2nd at 5pm in front of the ESC.

Bryce Hammer, VP for Governmental Affairs stated that they discussed the Academic Bill of Rights and GPA requirements at the WASA meeting. ESC and Environmental Lobby Days went well. Washington State University is looking into bringing a list of requests to WASA to change the bylaws. Hammer added that they have been having issues with other schools not paying their dues. She stated that she has finished writing the constitution for Structure Review and it will come to the Board next week.

Alex Lavallee, VP for Activities stated that he went to DRAC and they discussed the procedure for requesting emergency funding from their reserves but he asked about how their reserves were replenished each year. He added that Activities Council didn't meet. He stated that he has been discussing with Campus Rec on the issue of the Cycling Team not being reimbursed appropriately.

Erick Yanzon, VP for Academic Affairs stated that Western goes through a seven-year accreditation process, so there will be accreditors coming to campus on March 27th. He stated that since that is the day before school starts, he is trying to change that date. But he said to expect an Information Item on that for next week.
