Background & Context

- The University is updating the Academic Honesty Policy and is approaching a conclusion to their efforts, however they want more student input on the documents before bringing them to the Board of Trustees. The leaders of this revision, Melinda Assink and Karen Stout, asked if I could bring the proposed new policies to the board as an information item to receive feedback.

Summary of Proposal

- My reasoning for bringing this to the board is to receive as much feedback as possible in order to make sure that the Academic Honesty Policy is fair for students while respecting the Universities need to create an environment of academic integrity. When looking at these policies think about how accessible they may be to students encountering them for the first time, and please point out any other changes you feel are necessary.
POL-UXXXX.XX ENSURING ACADEMIC HONESTY AT WESTERN WASHINGTON UNIVERSITY

The following are definitions of terms that are used in the implementation of this policy and related procedures, it is important to keep reading beyond the definitions to ensure a complete understanding of the Academic Honesty Policy.

Definitions:

**Academic Dean:** Dean of the college in which the instructor of the course resides.

**Academic Honesty:** Academically honest behavior occurs within the context of the classroom, but also includes behavior with academic endeavors such as scholarships, applications, letters of reference, or other forms of scholarly writing. For examples of academic honesty violations, see [http://wwwww.edu/integrity/](http://wwwww.edu/integrity/).

**Academic Honesty Board (AHB):** The Academic Honesty Board shall consist of two faculty members and two students to be selected from a pool of students and faculty. The Vice President for Academic Affairs shall select the board members and appoint the chairperson. It is recommended that at least one student and one faculty member be appointed from the college involved in the incident.

**Academic Honesty Violation:** A violation of the Academic Honesty Policy, or the specific dishonest action taken by student(s) in order to gain some benefit (which can include social/non-academic benefits). Multiple violations may occur with the same action if multiple opportunities for benefit would come from the same action (i.e., a single paper turned in for different classes). Student(s) may be investigated separately for those acts and sustain a sanction for each violation.

POL-UXXXX.XX Academic Honesty Policy
**Appeal:** Either party may appeal a decision during the procedure: Appealing Academic Honesty Violations. The student may appeal the decision about an Academic Honesty Policy Violation by carefully following the appeal procedure if the student believes they has evidence that was not considered or if there was a failure to properly follow procedure. The student should still continue to attend class throughout the appeal process, as the instructor cannot bar a student from attending class while an appeal is underway.

**Calendar:** Scheduling the steps and deadlines in the procedure: Addressing Academic Honesty Violations. If the end of fall or winter quarter is reached during the steps of the procedure for Addressing Academic Honesty Violations, the remaining parts of the process will be considered at the start of the next academic quarter. If an appeal has not moved all the way through the procedure before the end of spring quarter, and if all parties are not available and willing to proceed during the summer, then the clock "stops" until the start of the next academic quarter. An effort will be made to resolve the issues as soon as possible when there are extenuating circumstances (i.e., a student is graduating).

**Chair/Director:** The administrative head of the department where the instructor of the course resides. In cases where there is no Chair, the Director of the department where the instructor of the course resides. If the Chair/Director is also the instructor involved in this incident, then the Dean can appoint a Chair/Director Pro-Tern. Any references to "Chair/Director" in this document imply "Chair/Director Pro-Tern" if one has been appointed.

**Expulsion:** Permanent and complete dismissal of the student(s) from the university.

**Extensions:** The student(s), instructor, or administrator involved may request extra time to prepare an appeal or response. Extensions will be granted on a case by case basis only in extreme circumstances by the Secretary of the Academic Honesty Board in agreement with the Vice President for Academic Affairs. (The Secretary is the timekeeper of days in the procedural processes.) If the extension is granted, all parties will receive written notification.

**Group Violations:** If the alleged incident takes place amongst a group of students, then one "calendar" or set of process deadlines can be established. However, each student will be held individually responsible. In the case of multiple students being found in violation of the Academic Honesty Policy due to another person's theft of personal property (e.g., study notes) or sabotage (e.g., destroying another student's paper), students have the right to hold each other accountable in the event that the administration or AHB cannot determine fault among them for the violation. Students who feel they have been wrongly sanctioned due to another student's behavior can refer to the "Theft or Intentional Damage of Property" portion of the Student Rights and Responsibilities Code.

**Sanction:** Appropriate punishment for a violation to be determined by the reporting instructor or in cases of additional violation hearings, by the Academic Honesty Board.
**Suspension:** Removing the student(s) from the university for a designated period of time, after which, the student(s) is/are eligible to return. Conditions for readmission may be specified.

**Timeline:** The appointed timeline must be followed by all participants. If an appealing student(s) or instructor does not appeal by the appointed deadline, the appeal will be considered null and void. If an administrator in the process does not respond by the appointed deadline, the appealing party may move directly onto the next step in the process.

**Working Day:** A working day shall constitute a standard business day (8:00am - 5:00pm) Monday through Friday, excluding weekends and holidays, while the university is in session.

1. **Students Are Expected to Be Honest in Their Academic Work**
   
   Academic Honesty means that no student shall claim as their own the achievements, work or arguments of others, steal from others, nor shall they be a party to such claims. No student shall collude with others, lest all be held responsible for Academic Honesty Violation(s).

2. **Instructor Is Responsible to Initiate Communication with the Student(s)**
   
   Suspected of an Academic Honesty Violation, and to Take Appropriate Action if, in the Instructor’s Judgment, a Violation Has Occurred.

3. **No Student Shall Be Allowed to Withdraw From a Course or From the University**
   
   to Avoid the Consequences of an Academic Honesty Violation.

4. **After an Academic Honesty Violation has Been Though the Addressing**
   
   Academic Honesty Violations Procedure, if it is Found to be an Additional Violation, an Immediate Hearing of the Academic Honesty Board Will Be Called and Can Result in Suspension or Expulsion from the University.

   See Procedure: Addressing Additional Academic Honesty Violations.
