Substantive changes:

Background & Context
Every year personnel committee reviews any changes made to job descriptions. This year we opened up the opportunity for all advisors/staff managers, student directors to review all their department job descriptions and summit any changes being requested to Personnel Director to be reviewed at personnel committee.

"ii) Minor Position Changes & Alterations
The AS Personnel Committee may make minor revisions to job descriptions in accordance with Washington State Law and Western Washington University policies. Minor revisions are those that don’t substantively change the nature of the position or the responsibilities. AS job descriptions may be adjusted at any time to fit the organization’s needs “Minor revisions” to job descriptions include, but are not necessarily limited to:

(a) Language or responsibility clarification
(b) Job description format changes
(c) Minor responsibility changes
(d) And adding departmental or office responsibilities

Personnel Committee has recommended to the board that the ESC Public Relations Coord. Be changed to AS ESC Marketing & Outreach Coord. The job description has be revised to better address what this position does in the ESC. This position works more in marketing the ESC as well as advising clubs in their marketing strategies, (Please see job description). We have also recommended to the Board that this position have 40 planning hours, this position will be planning the marketing events for tabling sessions during summer transitions, summerstart, events with WWU Recruiting & Outreach offices, and SOS. In order to try and outreach to incoming students and transfer students. This position will complete planning hours by mid-july with the stipulation that this position under go an evaluation process of how the planning hours worked out. (Please see Nates Proposal Sheet for more information)
ASP Special Events Coord. Is being recommended to the board that this position be extended to summer quarter with the stipulation that this position will work 10 hours a week instead of its regular 15 hours a week.

AS Public Relations Coord. Is being recommended to the board to be changed to AS Communications Coordinator. I do want to note that Personnel Committee does is hesitant about the name change due the history of the name change however the AS Communications Director, Mason Luvera and Jaime Hoover believe that this change better reflects what this position does. Please see the cover letter provided by Mason Luvera,

AS REP Vote Coord. Is being recommended to the board to be changed to two full quarter's summer and all of fall. With the stipulation that this position remains assistant coord. And that the extra 2 weeks given be used to create a legacy document for the future position holder. While this position is not given a legacy document the knowledge of the nature of this position can be documented for future position holders. Personnel Committee had many concerns about the original proposal to change this position to a full quarter, the committee even tabled this position for an additional week to give committee members enough time to assess the information given. Also with the change of the AS REP Director being recommended to be changed to a Directors level with an additional 2 hours should be able to assist the vote coordinator during summer hours.

• AS ESC Program Support Coordinator Job Description
• AS ESC Marketing and Outreach Coordinator Job Description

Background & Context

As the ESC moves to better establish its role with the University and the students of color on campus, we thought it would be beneficial to clean up its content with the personnel office to better reflect the new things happening with our center. We found the current ESC job descriptions confusing, convoluted with big words, and repetitive. I would like students to see the position and feel like they understand the job in its entirety. The hope is to gain a larger applicant pool. It was also a good time to reevaluate summer hours and provide better direction for the positions and make sure they are using the hours wisely.

Changes include:
• Changing responsibilities to be goal oriented, and not program specific oriented
• Taking out old titles, programs, etc.
• Changing some grammatical errors, stylistic language, and succinctness (specific changes can be seen in the attached documents)
• Requesting for summer hours for some positions to give adequate time for summer projects

Summary of Proposal

The ESC’s goals for the new revisions are as follows:
• To update position responsibilities to reflect exactly what they do and clear up expectations
• To clearly distinguish the differences between the ESC Coordinator, ESC Program Coordinator, and the AS ESC Program Coordinator
• To explore title changes help to alleviate confusion when students are applying for these positions
• To provide adequate time for the positions to be successful for the summer

Some major changes are:
• Name change from AS ESC Public Relations Coordinator to AS ESC Marketing and Outreach Coordinator
• Support for the Marketing and Outreach coordinator to hold 40 hours during the summer to provide all marketing materials for summerstart and transitions, as well as establishing relationships with other offices like Housing, Counseling Center, Health and Wellness, Career Services, Academic Advising etc.
• The "about us" is now updated with our new Mission Statement
• Redefining categories in the "ESC Responsibility" section

Summary Page
These changes will hopefully reflect our mission statement, "to support historically underrepresented ethnic students and allies by providing a social atmosphere and inclusive environment where we engage in identity exploration and strive for cultural awareness and academic excellence."

**Fiscally**

The addition to have the ESC Marketing and Outreach Coordinator have 40 summer hours is around $500. Though this is a "large" amount, I see it as a way to provide a paid position to have income during the summer, opportunities for development, and benefiting the AS by providing more staff during the summer hours.

**Rationale**

"Why does this proposal make sense?"

The hope is that the Job Description changes will give better direction for the applicant. The current JD is wordy and cryptic. The new proposed changes reorders things to make sense to those not familiar with the AS. The ESC Marketing and Outreach Coordinator would benefit with summer hours since the ESC does multiple outreach programming to incoming students.

**What's the short & long term benefit?**

Short term: The ESC positions will understand their jobs better and have sufficient time to work together and fulfill their duties next year

Long term: This might allow the AS to reevaluate and reassess how much we ask from our AS Employees and maybe look at better ways to provide better support and/or opportunities for growth

"ASP Special Events Job Description"

Proposed Motions: Approve increasing the AS Special Events Coordinator to a 4-Quarter position (working an average of 10 hours during summer quarter).
Sponsor: ASP Director, Daley Smith
Persons of Contact: Daley Smith, Casey Hayden
Guest Speaker: Daley Smith

Date: March 11, 2014

Background & Context
The Special Events Coordinator has typically been a 3 quarter position (with 30 hours in the summer). In the past couple of years, we have noticed a need for more training and time with the Director during the summer for this position. The Special Events Coordinator is responsible for planning a large event (VU Late Night) for the first week of school, as well as planning out the rest of the quarter in the summer, and the 30 hours, worked outside of the office, has not been adequate to ensure these events are planned and that the coordinator is getting the necessary support and training to accomplish their responsibilities.

Summary of Proposal
The Special Events office is one of the largest in ASP. A comparable office, Pop Music, is a four quarter position. I see the Special Events coordinator's summer responsibilities (as a 4 quarter position) to be comparable to Pop Music's. Pop Music's summer responsibilities are as follows:

- Ensuring that the booking and event coordination is completed for the fall quarter large-scale concert in time for the event to be effectively promoted and executed in a smooth and timely manner.
- Preparing fall line-up of events. Work with the ASP Director and Advisor during the summer to process paperwork and handle event logistics.
- Assisting in the execution of the Summer Noon Concert Series, as a means to gain additional training and experience.
- Collaborating with ASP Director to implement AS programming and outreach during SummerStart and Transitions.
- Meeting weekly with the ASP Advisor and ASP Director.
- Ensuring that the promotions for the fall concert line-up and any office-wide promotional campaigns are completed and ready for timely distribution, in conjunction with the ASP Director.
- Working to maintain existing, and establish new, positive working relationships with agencies and other industry professionals.
- Submitting reservations for the large-scale spring quarter concert and the Pop Music Industry Conference.
- Performing other duties as needed or assigned by the ASP Director.

Of course, all mentions of "concerts" would be "events" in the case of Special Events and the Summer Noon Concert Series is not applicable, but the general responsibilities are the same. Special Events still has to plan a large event for the first Friday of the quarter, as well as take steps to ensure that programming for the rest of the quarter is in place, and only having 30 hours outside of the office is simply not reasonable. Both the current and the prior Special Events Coordinator have brought concerns to me regarding not having enough time to fulfill their duties in the summer.

Being able to work closely with the Director and in the office during the summer is essential for Special Events programming to be successful for the future quarter and year. I feel that Special Events is comparable to the Pop Music office, and Pop Music being a 4 quarter position has been very successful.

Fiscally
I am proposing to make the Special Events position a 4 quarter position, working an average of 10 hours during Summer quarter. This will add administrative costs, however my proposal to make the Asst. Director of Marketing and Assessment a 3 quarter position (from a 4 quarter) was recently approved, so administrative costs for the office actually wouldn't change. For the employee costs changes to $272 per paycheck and $6,844 from ($295, $6,222)

AS Communications Staff Job Description Changes

Proposed Motions: Move to approve the name change for the AS PR Coordinator position, and remaining edits to the office job descriptions.

Sponsor: AS Communications Director-Mason Luvera

Persons of Contact: AS Communications Director, AS PR Coord.

Guest Speaker: AS Communications Director - Mason Luvera

Date: March 7, 2014

Proposal Follow Up: To better provide context to the position changes, the Communications Office knows that he changes are needed for the following reasons:

The PR Coordinator position has provided an integral service to the office and the organization since the Office's inception. However, the current name is not representative of its duties. In fact, the majority of PR responsibilities fall under the Communications Director position as a first stop. The naming of the position has also created confusion for the media, in that they are not sure who to contact for what needs. We have coped this year by cross-pollinating all PR responsibilities, but the job descriptions call for the Communications Director as the media spokesperson, with the PR coordinator assisting in that responsibility. The proposed name accurately reflects this.

In terms of a proposed name change to Marketing and Outreach Coordinator, that in no accurate way represents what the position is designed to do, and also strays away from the Communications Office's main focus, which is strategic planning and advising. The PR Coordinator job description is designed to be an assisting position to the Communication Director position. More importantly, marketing and outreach is actually a joint venture that is better tasked between collaboration of both positions, and we feel strongly that subordinating that responsibility to one position is erroneous. The purpose of changing the name to Communications Coordinator is to align both positions into a common purpose: to better serve the AS through strong strategic and curated communications.

The Communications Office has been maligned with several critical setbacks this year, but these are the result of our decision to take on the continual kinks (that are the result of being a new office) and get them resolved this year so the office can continue forward. We know what this office needs for our organization, and we feel strongly that the proposed changes are what is needed to serve following communications office staff with the tools and structure that is needed.

Communications Director, Mason Luvera, will be present at the Wednesday board meeting to better speak to these changes and the needs of the Communications Office to move forward in a positive direction. If any questions arise, please contact our office.
