2. The amount requested from the LEOF exceeds $500
3. Funding is to be used for events that present a unique or unforeseeable opportunity that will enhance the Western student experience and are beyond the scope of the office’s allocated budget.
4. The event must fall within the mission of the AS programming office.
5. The event must be open to the entire student body and projected to have an attendance of over 100 students.

Procedures:

   a. Proposals are to be submitted at least 5 weeks before the date of the event.
   b. Provide the following information through the OrgSync form: event details, projected attendance, funds requested, and an event budget demonstrating all expenses as well as the financial contribution of all sponsors.

3. The AS Activities Council will hear the proposal as an information item at the first meeting at which it is presented, and will take action no sooner than the next regularly scheduled meeting.
4. Programming offices are limited to receiving LEOF requests once a year. The Activities Council reserves the right to make exceptions at their discretion.
