Motion SC-15-SPR-22 by Stuber

Approval of the minutes from the 4-20-15 meeting.

Second: Dang Vote: 11-0-1 Action: Passed

II. FINANCIAL REPORT

Nate Panelo said that although this weekend saw a series of highly successful events from KhSA, LSU and FASA, they did not sell out, so the clubs might need some help in funding to keep from going into the red. Some of the travel fees approved this quarter haven't been spent, so the committee will be seeing some money back from that as well. The Low Rider show might be coming to the Committee for funding, the HOH Luau has already sold out, and the ACC heritage dinner will be held next week.

III. PUBLIC FORUM

Casey Hayden informed the Steering Committee about the OrgSync Mega-Challenge, formally known as "Spring Into OrgSync." From now until May 15th, you can engage in an online scavenger hunt to win cash

prizes for your club. You can find more information on the OrgSync main page for WWU.

Jenn Cook said that next Thursday is the 4th. Annual Club Kickback, an event meant to reflect on the club's performance this year, and help transition clubs into the next year. It will be from 4 to 7 in Academic West 210. There will be a free dinner!

IV. INFORMATION ITEMS

A. Korean Student Association - \$800

Brian Wang said that the KSA is planning on going to a trip to Canada to meet up with the KSA at the University of British Columbia to visit Vancouver's Korean Town, or "K-Town," where they will immerse themselves in Korean culture through food, karaoke, and an observation of culture. The purpose of this trip is to form stronger bonds between club members, as well as to foster strong relations with the UBC chapter of KSA. The requested funds would be for hotel rooms. Panelo asked how the club is deciding who attends the event. Wang said that there was a signup list, but unfortunately they had to weed out the list based on member seniority and involvement.

This Information Item will be voted upon next meeting as an Action Item.
