1. The purpose of the following survey is to collect information from WWU students to guide the potential restructure of the Associated Students. This work is being conducted by the AS Structural Review Committee. This short survey will take 10 minutes or less to complete. The personal information you provide will remain completely anonymous. By selecting the "Agree" option below, you are indicating that you give permission for the information you provide in this survey to be used for research and data analysis. Please let me know if you have any questions. This survey will close to submissions on Monday, April 25th at 5:00 pm. Sincerely, Hannah Brock

Associated Students Vice President for Business and Operations

8. One idea to improve the representation of students in the AS is to create a student senate which could be composed of different student groups. The student senate could take over some of the government and advocacy responsibilities from the current Board of Directors and serve as a check and balance system. How important do you think having a senate is?
