Name of the Event/Project/Conference: Ethnic Student Center Lobby Day/Environmental Lobby Day

Event Date(s): February 19th-20th

Location: Olympia, WA

Estimated Number of Attendees: -50

Reason for Funding:

The Ethnic Student Center (ESC) and the Environmental and Sustainability Programs (ESP) are teaming up to plan two lobby days in one. We will be taking students down to Olympia and training them on how to lobby their legislators on issues that matter to them. We will be taking on bus down and staying the night in a hotel near the capitol so we have enough time to train the students, and get them as familiar as possible with lobbying. By securing funding from the LAF we can make these two events stronger than they have ever been and, once they are firmly established, we hope that they'll grow and become even more important to student lobbying efforts.
