**Tier 2**

Tier 2 Grants will be brought to the SAF Committee for decision in what may be a one-meeting proposal process, decided at the discretion of the committee. Approval is based on available funds. Approval happens at the motion of a committee member and a majority vote of the seated membership.

**Tier 3**

Tier 3 Grants will be brought to the SAF Committee for decision in a two-step proposal process:

- Conceptual Application: The committee will review the application and give a Memo of Feedback to the team with feedback and recommendations.
- Final Application and Presentation: Following the final presentation, the committee will vote on project approval. Project approval happens at the motion of a committee member and a majority vote of the seated membership.

**Contingency Funding**

Tier 1 Grants will be automatically funded a 25% contingency. Tier 2 and Tier 3 Grants will be automatically funded a 10% contingency.

**Project Follow-up**

Proposals will have an individual timeline determined by the team with the support of the SAF Staff. All allocated funds must be spent within that timeline, unless an extension is approved by the SAF Committee. Any unspent funds at the end of the project will be released back to the SAF. At the recommendation of the SAF Operations Staff, the committee can vote to pull funds from a project that has not spent its funds in the appropriate timeline.

**Conflict of Interests**
