l. Campaign expenditures which do not fall into categories identified in the preceding two subclauses may be approved for public financing at the discretion of the Elections Coordinator. Decisions by the Elections Coordinator regarding the eligibility of campaign expenditures for public financing may be appealed to the Election Board.

m. In the event that physical campaign materials belonging to a candidate or are intentionally tampered with (as defined by Section 2, Cl. III (k)), the candidate can, with the Elections Coordinator’s permission, report this item as a $0.00 expense on their financial disclosure statement.

f. In the event of disqualification from an election, the disqualified party may appeal their disqualification to the AS Board of Directors Program Coordinator within one (1) school day of the date of disqualification. The Program Coordinator shall notify the AS Board of Directors immediately, and the AS Board of Directors shall convene the Elections Appeals Panel, which shall consist of any AS Board Member not running in the elections and of a non-voting advisor. The Elections Appeals Panel will convene a disqualification hearing within two (2) school days of the date of appeal. Decisions on disqualification by the Elections Appeals Panel are final, and may not be appealed. Candidates appealing a disqualification may not campaign for office until a decision about their disqualification is reached by the Election Appeals Panel.

g. The Elections Coordinator may not serve on the Election Board.

h. Penalties for violation of the Election Code and/or filing packet may include, but are not limited to, forfeiture up to $25 of their public financing reimbursement or be charged up to $25 disciplinary action; and disqualification.

VII. Voter Eligibility

a. Any matriculated student enrolled at the main campus of WWU or studying abroad during the academic quarter in which elections take place is eligible to vote in Senate elections (must be registered for classes by the last day to add/drop classes online fall quarter).
b. Only students enrolled in a college may vote in that college’s Senate election.
   a. If a student is enrolled in more than one college, they must choose only one college’s ballot to vote on.
      i. If said student votes in multiple Senate elections, both ballots will be invalidated.
   c. All students, including those enrolled and voting for their respective colleges, are eligible to vote for At-Large Senate positions.
      a. At-Large Senate positions will be contained on a separate ballot, and two votes will be required for those eligible for college Senate elections.

VIII. Online Voting
a. All voting in AS elections shall take place online, unless the Elections Coordinator deems it impractical to do so, such as in the case of a special election. Eligible voters may vote online at any time between 12:00 a.m. on the first day of the elections [11/26/2018] to 8:00 p.m. on the last day of the elections [11/30/2018].

b. In the event that the Elections Coordinator deems it impractical to use online voting in an upcoming election, paper balloting shall be used for voting.

IX. Ballot Format

a. The names of candidates running for election shall appear vertically under the title of the position for which they are running. If possible, the candidate order shall be randomized on every individual ballot. If this is not possible, the candidates shall appear on all ballots in order drawn by lot. There shall be no write-in candidates.

b. The names on the ballot shall read exactly as they appear on the candidates’ approved registration form. If this is not possible, the candidate will be notified and appropriate changes will be made by the Elections Coordinator before the ballots are published. The Elections Coordinator reserves the right to alter the name on the ballot if the candidate’s provided name is misleading.

X. Ballot Counting

a. Ballots shall not be counted until online polls have closed on the last day of the elections. The Elections Coordinator, Election Board Chair and the REP advisor or the advisor’s designee shall count and/or supervise the counting of the ballots once polls have closed.

b. During the voting period the Elections Coordinator shall be locked out of the voting software. Administrative control of the software shall be turned over to the REP advisor or to the advisor’s designee.

c. In order to protect the privacy of voters, ballots, once cast, shall not be viewed by any candidate, or person otherwise involved in a campaign until the official counting after the close of the elections.

(1) In the event of legal right to view ballots, names and other means of personal identification shall be stricken from the ballot.

XI. Disqualification of a Winning Candidate

a. If, after the conclusion of the elections, a candidate who has satisfied the requirements for winning a position specified in Section 1, III (b) of this Code is disqualified by the Election Board or by the Elections Appeals Panel and chooses not to or is unable to appeal the decision, then the candidate receiving the second-highest number of votes for that position shall be declared the winner of the election, even if that candidate has not satisfied all of the requirements for being elected to the position specified in Section 4 of this Code.

XII. Interpretation of the Election Code

a. The interpretation of this Code is primarily the responsibility of the Elections Coordinator. All questions or matters of uncertainty should be directed to the Elections Coordinator. When the Election Board or the Election Appeals Panel are in session, their respective chairs are the final
authority on the interpretation of this code in regards to business that is before their respective bodies.

XIII. Revision of the Election Code

a. The Election Advisory Committee (EAC), convened by the Elections Coordinator, may propose revisions to this Code during the academic year, pursuant to the Committee’s charge and charter. All proposed revisions by the EAC must be approved by the AS Board of Directors. The Elections Coordinator may also propose revisions to this Code without convening the EAC if those changes are either: (1) corrections of minor grammatical, spelling or syntax errors; or (2) changes to the year-specific dates, times and figures in this Code (i.e. dates, times and figures enclosed in square brackets). All proposed revisions by the Elections Coordinator must be approved by the AS Board of Directors. The Election Code may not be revised in any other way.
   a. If the EAC has not convened, the AS Senate Elections Code may be approved by the board.

b. The Election Code may not be revised between the opening of the candidate filing period and the close of the elections.

XIV. Deadlines

a. Failure to adhere to any deadline in this code will result in the filing of a grievance (Section 2, Cl. VI).

b. It is the full responsibility of the candidate to keep in contact with the Elections Coordinator, should something occur. All candidates are given up to 36 hours to respond to the Elections Coordinator. Failure to do so will result in the filing of a grievance. The official form of communication is email.

Section 3: Definitions and Implementation

I. Definitions

a. By “WWU”, this Code refers to Western Washington University.

b. The “main campus” of WWU is the university campus located in Bellingham, Washington.

c. By “AS”, this Code refers to the Associated Students of Western Washington University.

d. A “school day” is a weekday (Mon.-Fri.) during which classes are in session on the main campus of WWU. A day during which all classes are cancelled on the main campus of WWU for any reason, even if such a day falls during a regularly scheduled academic quarter, does not constitute a school day for the purposes of this Code.

e. By “academic year” this Code refers to the period extending from the first day of the fall quarter of WWU to the last day of its subsequent spring quarter.

f. “Physical campaign material”, for the purposes of this Code, includes, but is not limited to, posters, handbills, fliers, signs, banners, buttons, T-shirts or other clothing and any physical object which may be deemed by a reasonable person as constituting campaign material for or against a candidate or a measure.

g. “Polling Stations”, for the purpose of this code, are defined as instruments made available or advertised to the general public that enable an eligible voter to cast a ballot for the AS Elections.
h. “Declarative Statement”, for the purpose of this code, is the statement of an official position. It is not a policy change or policy action.

i. A candidate’s “Name” is defined in this code as the candidate’s legal or preferred name as registered with Western Washington University. A candidate reserves the right to alter certain elements of their name such as withholding a hyphenated surname or middle name with the approval of the Elections Coordinator.

j. “Misleading” for the purpose of this code is defined as, but not limited to, inaccurate information, language that is inaccessible or serves to obscure the intent of the initiative, language which includes conflicting or separate proposals with no logical connection between proposals, or which misrepresents current AS policy or procedure.

k. “Tampered” as used in Section 2, Cl. IV (k) is defined as the active destruction of campaign materials whether by removal, obfuscation, or defacement in such a way that the materials can no longer be clearly interpreted or are inappropriate.

I. “Lot” as used in Section 4, II (i) is defined as the use of objects in making a determination or choice. Ex: A coin toss, computer/calculator random number generator, etc.

b. This AS Senate Election Code, as approved on [10/26/2018] shall take precedent over all other AS Election Codes and by-laws during the period of 2018 Senate Elections.

Section 4: Multiple-Position Instant Runoff Voting (IRV)

I. Definitions

a. A candidate shall be deemed "continuing" if the candidate has not been eliminated.

b. Each position voted for shall constitute a “ballot.”

c. A ballot shall be deemed "continuing" if it is not exhausted.

d. A ballot shall be deemed "exhausted" if all of the choices have been eliminated or there are no more choices indicated on the ballot.

II. Procedure

a. The first choice marked on each ballot shall be counted initially. If there are as many candidates as there are open positions, those candidates are elected. If there are more candidates than open positions on the ballot, an instant runoff consisting of additional rounds of ballot counting shall be conducted. Voters may rank as many or as few candidates as they desire on each ballot.

b. In every round of counting, each ballot is counted as one vote for that ballot's highest ranked continuing candidate.

c. If there are more candidates than there are open positions in that ballot, the candidate or candidates with the fewest votes shall be eliminated, and all ballots shall be recounted.

d. If the total number of votes of the two or more candidates credited with the lowest number of votes is less than the number of votes credited to the candidate with the next highest number of votes, those candidates with the lowest number of votes shall be eliminated simultaneously and
their votes transferred to the next-ranked continuing candidate on each ballot in a single counting operation. Such a situation can only arise with four or more candidates on a ballot.

e. This process of eliminating the candidates with the fewest votes and recounting all ballots shall continue until there are the same number of continuing candidates as there are open senate positions on that ballot.

f. If a ballot has no more available choices ranked on it, that ballot shall be declared "exhausted" and not counted in that round or any subsequent round.

g. Ballots skipping one ranking shall be counted for that voter's next clearly indicated choice, but ballots skipping more than one ranking will be declared exhausted when this skipping of rankings is reached.

h. Ballots with two or more of the same ranking shall be declared exhausted when such duplicate rankings are reached unless only one of the candidates with the duplicate ranking is an advancing candidate.

i. If in any round of counting there is a tie that would affect the outcome of the elections, the tie shall be resolved in public by lot.

Approved by the AS Board of Directors on October 26th, 2018

The complete Election Code contains the following:
